Subject: Roundtable Info for EPA Attendees

Hello EPA Colleagues,

You are receiving this email because you are a confirmed attendee of the Oil and Natural Gas Roundtable happening in Denver, Colorado next week. In addition to the materials shared with all participants this morning, I am now sharing **internal** EPA information with you. Attached to this email, please find:

- (1) <!--[if !supportLists]--><!--[endif]-->A two page briefing paper on the oil and natural gas roundtable. This paper provides background information, objectives, etc.
- (2) <!--[if !supportLists]--><!--[endif]-->A twenty-four page briefing book summarizing current oil and natural gas happenings around the U.S. which EPA has a role. The issues in the briefing book represent the likely issues stakeholders would bring to EPA's attention.
- (3) <!--[if !supportLists]--><!--[endif]-->A two page communications document with desk statements and assorted questions and answers.

You now have all the participant information I intended to share with you. If you have additional questions, please let me know.

I look forward to seeing you all next week!

Thanks,
Jim
